# VISITOR GUIDE

*November 2022*

On Veterans Day, November 11th, we honor those who have served. However, it would take the whole month to visit all national monuments to our retired service members. This guide offers a list of Veteran Venues in the area where you can pay your respect year-round to their patriotism, commitment, and sacrifice for our good. Many offer resources to learn more about military history and programs that celebrate military life.
